Newsletter #6_2017

10 February 2017

Dear Parents

I see Nando's are offering a 'little order' only 350 metres from Parliament! Sometimes humour is our only response to a situation that is beyond our control...

So, if you were a little down after the State of the Nation address, your spirits would have risen in our Assembly this morning when we started with a music video (rap type) shot in Imizamo Yethu, featuring one of our pupils. The theme of the video was "Education is Important for our Nation, We Need Education!" [Check it out on YouTube, under "Kingz of IY"]. So well done to **Batandwe** who gave us the balance today, it was just what we needed after last night's chaos.

Pupil Safety

On Friday afternoon, after the Sports Day, five of our pupils went to the rocks next to Maidens Cove to enjoy the beach. They were mugged by three thieves, and one boy was stabbed. They returned to school and we mobilized Camps Bay Watch's Tactical Unit, the paramedics and police. Unfortunately we were unable to track down the thieves even though we followed the signal from one of the stolen iPhones.

On Monday in Assembly, I spoke to the school about **not being fearful, but being careful**. We can't let criminals stop us from enjoying our beaches and restricting our freedom of movement by making us scared. On the other hand we do need to be aware of potential danger and so be careful and alert when we are out.

In this situation on Friday, the pupils affected were not doing anything wrong, nor were they doing anything that would make them an easy prey. They were simply attacked by three criminals who had come into this area to mug people at the beach. It was bad luck that they happened to be the people that these criminals came across. I have written to our councillor **Shayne Ramsay** and asked for more visible policing in our community, especially along the beach front area.

The School's Governors will be meeting next week and we will discuss these issues at the meeting. Our number one priority is to ensure that our children are safe.

Parent Liaison Body (PLB)

Dear Parents,

Firstly, it was a pleasure meeting you all at the new parent meeting on **Wednesday, 25th January 2017**.

Thank you for coming forward and giving me your details, much appreciated.

As advised, we will hold a get together so that you can all meet each other, and I will introduce you to **Michele Harvey** who handles the Special Project portfolio with **Wendy Foster**. We will show you what projects we have in the pipeline that might interest you. There are some really amazing ones...

We understand that many of us have work commitments and are unable to commit to time consuming projects, however, there are many projects that you can get involved in, that won't impact in your work commitments. Any help is welcome, no matter how small.

Look at it as contributing something towards your children's school, community and getting to know the workings of the school.

Should you know of any other parent that is interested but didn't give me their contact details, please tell them to come.

Details of Meeting:

Venue: Camps Bay High School
Date: Wednesday, 22th February 2017 at 17h45

Tea/Coffee/Snacks will be served.

Thank you and looking forward to seeing you.

EVERY SWIPE COUNTS

Good afternoon to all of our wonderful Parents, Teachers, Guardians and pupils
and a huge thank you for all your holiday swiping.
A whopping **R8383.91** was given to our school for your shopping in December.

If you don't have a My School card or haven't changed your beneficiary it's as easy as getting
an application form from the reception desk. It doesn't cost you a cent,
just swipe your card after every purchase at Woolworths
or any other participating retail partners and a percentage of that purchase
goes to Camps Bay High School.

Easy Peasy!
