Newsletter #23_2018

20 July 2018

Dear Parents

On Wednesday, 18 July 2018 we celebrated Mandela Day with a special guest - struggle veteran **Albie Sachs**. Albie started his presentation by asking the pupils "Where were you in 1952?" This caused a lot of laughter as very few people in the Hall had even been born in 1952.

He started the story of his life from 1952, when he was part of the National Celebrations commemorating the arrival of Jan van Riebeeck. He then took us through his time at UCT and how he was drawn into the fight against apartheid through the 'Defiance Campaign' In 1963 he was detained and spent 168 days in solitary confinement.

He told us how he was part of the discussions with Oliver Tambo in 1988 on what the new South Africa should look like. Albie then went on to recount how the South African security police tried to kill him in a car bomb attack in Mozambique. He lost an arm and an eye but he believed as he recovered his health, that South Africa was also recovering as a country. He told us of the day when Nelson Mandela opened the Constitutional Court and he was there as one of its first judges.

All through his presentation he sang verses of struggle songs to the pupils to make his point. In closing he encouraged all our pupils to develop a spirit of Ubuntu, a spirit of humanity!

Camps Bay Schools Commemorate #Mandela100

Our primary school also commemorated 100 years of Mandela's legacy by gathering on the Symmonds Field to create a special message for #Mandela100. In addition, they made over 2000 sandwiches which were then distributed by some of the Grade 7s to schools in Imizamo Yethu and Hangberg Hout Bay.

Matric Dance

The Matric class of 2018, along with their teachers will enjoy their Matric dance on **Saturday 21 July 2018** at the Westin Grand hotel. We wish every Matric the evening of their dreams.

Please could you send a loaf of bread and either cheese spread, jam, chocolate spread or peanut butter with your child on Wednesday 25 July 2018. The sandwiches will be distributed to schools in Hout Bay, Bo-Kaap and The Haven Night Shelter.

Auditions for Camps Bay High School 2019 Musical - Friday, 27 July 2018 and Monday 30 July 2018.

eKhaya is the name of the musical that Camps Bay High School will be staging next year. The musical has been specifically written for Camps Bay High School by award-winning playwright, **Penny Youngleson**.

Auditions will be taking place on the **27th and 30th of July 2018**. There are plenty of singing and acting roles available and we are looking for dedicated and passionate students to come and be involved. The audition material is on **Google Classroom**. (code: **gjl93m**)

Students who are auditioning to sing in the musical must prepare one of the selected songs.

Those only interested in acting only need to come to auditions and be willing to read a selected scene.

We are very excited about staging this relevant and modern musical written specifically for the students of Camps Bay High School.

Table View High School Derby Day - Saturday, 28 July 2018

The Table View High School Derby Day takes place next **Saturday, 28 July 2018** at **Table View High School**. There will be transport from Camps Bay High School to Table View to take pupils to the Derby Day. This is available to all pupils, including supporters.

Anyone who needs transport will need to sign up after Assembly on **Monday, 23 July 2018** with the RCL. The departure times and schedule will be confirmed next week.

A reminder that it is **COMPULSORY** for ALL Grade 8's to attend Derby Days and they must wear their **FULL SCHOOL UNIFORM**. Any other learners from other Grades who are coming to support must also wear their full school uniform.

The Long Swim - Lewis Pugh

Camps Bay High School Past Pupil and long distance endurance swimmer, **Lewis Pugh**, has started his biggest challenge yet... "The Long Swim". He is swimming the entire length of the English Channel – 560km - in his humanitarian fight for a blue economy and raising awareness about plastic pollution.

Lewis managed to get an audience with **HRH, the Prince of Wales** to discuss his reasons for the swim. We have been in touch with Lewis and he will be speaking in one of our cultural slots later in the year.

Grade 9 Emoya Lion Sanctuary Youth Ambassadors on Hectic Nine-9

Grade 9 pupils, **Sebastian Byrnes** and **Drew Goldie**, were featured on SABC 3 Hectic Nine-9 talking about their involvement with Emoya Big Cat Sanctuary and their roles with the organization as Emoya Sanctuary - Youth Ambassadors.

They are also collecting gently-used toys, children's books and clothing which they will then distribute to an Educare Centre in Khayelitsha as part of their 67 minutes service.

ACTA DARG Food Collection

ACTA is still collecting dog and cat food for DARG which they hope to hand over soon. Please send dog or cat food to school with your child - even if it's just one can!

If you are able to assist in any way (INTERACT or ACTA) please send these to items to school with your child.

Stake Your Claim to a Camps Bay High School Tree

In Afrikaans there is a saying “*Buig die boompie terwyl dit jonk is*”.... it means “Bend the tree while it’s young”.

Over the past few years, one of our parents, *Colleen Stoltzman*, has volunteered her time to help with the gardens at our school. Amongst others, she removed poisonous and overgrown Oleanders and replaced them with 15 indigenous, water wise, False Olives (*Buddleja Saligna*).

Despite the gale-force South-Easter wind, they have had to endure a severe drought to boot. Yet, they have established themselves well and soon these trees will offer welcome shade to our children.

In order for these trees to mature successfully and create “umbrella” shade, we now need to stake them with a more robust structure, which will last 6 - 10 years.

For a once off donation of **R620-00** you and your family get to sponsor the staking of one tree. This includes a plaque, with a short message of your choosing. It could have an inspirational quote, or bear your family name, your pet name, or be sponsored in memory of someone dear to you.

To stake your claim, pay R620-00 into Camps Bay High School FNB Account No: **50240343463** Reference: “**Tree**” and Surname and then kindly email your proof of payment to *Colleen Stoltzman* at colleen@provending.co.za. Please also advise Colleen of what you want written on your plaque.

Staking of our NEW Trees

Two years ago new False Olive (*Buddleja Saligna*) were planted at the front of the school under the Team Leadership of Colleen Stoltzman, our volunteer parent garden champion. Despite the gale force winds and drought it endured, these trees have established themselves well. In time these trees will offer wonderful welcome shade to our learners. We now need to stake them with a more robust structure, which will last 6-10 years. We are calling on parents’ assistance to achieve this by the end of July 2018. We have 15 trees and each will cost R550 to stake.

We would like to invite families to “sponsor a tree” and donate **R620** which will include a plaque to be secured to the stakes which will carry the family /grandparent/pet’s name or even a **short inspirational message** on it which will read “Tree sponsored by.... or “In memory of ..” or for example “He who plants a tree plants a hope-Lucy Larcom”
