Newsletter # 30_2018

07 September 2018

Dear Parents

The abduction of children has been featured in the media over the last few weeks. The WCED has asked all schools to flag this and create awareness with our pupils and parents around these dangers in our society at present. With this in mind I addressed the school on Monday regarding how to be safe. For your interest I will briefly repeat the points below.

I started by encouraging all pupils to **be alert and aware of their surroundings**. I mentioned that there is a big difference between sitting outside the front entrance after school 'lost' in thought or listening to music and sitting at 18h30 on the station waiting for a train. One environment is much 'safer' than the other and will need a totally different level of alertness.

Also it is **much safer in a group**. So, where possible, stick together and look out for each other.

Then there is the need for wisdom regarding **when and where they go**. One venue may be totally safe at midday but not so safe at 23h00.

I also noted the need for our pupils to **keep their phones charged** and **make sure they have airtime**.

Communicating your movements is important when staying safe. You need to let the important people in your life know where you are and when you expect to arrive or depart.

Grade 9 Subject Choice

- If you are taking an 8th subject, it must be started in Grade 10. You must go and discuss your 8th subject with *Mr Mostert* before handing in the form;
- If you are taking an 8th subject, write this at the bottom of your Yellow Subject Choice Form.

Sports

The winter sports season is drawing to a close with the last matches being Netball over this weekend. We then have a short 'break' before the summer season sports start their training. The cold spell we are currently experiencing makes it really hard to start swimming and to train for waterpolo.

Italian Exchange Students

We are looking forward to welcoming our Italian Exchanges. 30 Students and 4 teachers from **Liceo Scientifico Sabin** in Bologna, Italy, will be arriving next **Tuesday 11 September 2018**. There will be a Welcoming Assembly on **Wednesday 12 September 2018** at **08h00**.

We will be visiting some Cape Town favourites including Robben Island, Cape Point and the Spice Route, to name but a few.

Matric Exam Invigilators

Camps Bay High School needs invigilators for exams. Over the next two weeks of Preliminary Exams we will be training any parents/grandparents or guardians as invigilators.

If you are able to assist with invigilating at the school in the coming years, please come to the Seminar Room any day next week at **08h00** and you will be shown the ropes so that you can invigilate at future exams next year.

This is voluntary and the school does not pay volunteers for their time in the Prelim or June exams. If you are accepted by the WCED as an invigilator, and you invigilate at the final Matric Exams, the WCED makes a small payment to invigilators.

Note: if you have a child in Matric, you may not invigilate in that year.

Camps Bay High School acted as the host for the South African Principal's Association Annual Secretaries Day Brunch. The event was organised by Mrs. Knipe and Mrs. Ford and was well attended by many Cape Town schools. Mr. Carl Wastie from KFM Afternoon Drive was the guest speaker at the function and entertained all the admin staff with his hilarious stories.

A big thank you to Mrs. Janine Bloomberg and family for the generous donations of prizes for the brunch - you most certainly contributed to the success of the event and we are most grateful.

Annual Camps Bay School Magazine:

We are busy putting together the annual Camps Bay Primary School Magazine. This year will be a bumper issue and will combine both Prep and Primary Campuses in one magazine.

Magazine Page Sponsorship: To keep the costs of the publication down, we are offering families the opportunity to sponsor pages in the magazine. A page will cost you just **R350-00** to sponsor and in exchange for this sponsorship you will receive a one liner credit on a magazine page thanking you for your sponsorship.

Magazine Advertising: This year, we have decided to cut down on the advertising and offer just the inside front cover and back inside cover for advertising.

Across the Generations Feature – This is a photographic spread of children with their parents and/or grandparents who were past pupils of the school.

Keep it in the Family Feature – This is a page in the magazine that is dedicated to families who have children on more than one of the campuses.

If you would like to take up any of these opportunities, please contact *Carol van der Spuy* at campsbayschools@gmail.com or **076-359-3286**.
