

CAMPS BAY
HIGH SCHOOL

NEWSLETTER

19 MARCH 2021

Dear Parents, Guardians & Learners,

ACADEMIC ASSEMBLY

On Friday last week, we hosted an Academic Assembly to celebrate and congratulate learners who made it into the Top Ten in 2020 and also for those who qualified for Honours, Colours or Merit Awards. There were more than 125 learners who attended this assembly, and some parents of the Grade 12 class managed to also attend. Congratulations to all these learners. There will be more information later in this Newsletter on that assembly.

PARENT SUPPORT

A few teachers have expressed concern with the work ethic of some learners in their classes as the learners are not completing the homework assigned to them.

This is particularly evident in the junior grades and we are requesting that parents help us to ensure that their children are completing the homework by the due date, even if the work is not 100% correct.

SGB ELECTIONS

The elections for the teaching staff and non-teaching staff members on the SGB as well as the two learners from the RCL that will be on the SGB have already taken place. The 7 parent governors still need to be elected and this election will take place on Tuesday, 23 March 2021.

We need at least **125 parents to vote** to have a quorum and we are making it as easy as possible by having a drive-through election. Both parents of learners may cast a vote. Only legally appointed guardians of learners may vote in the SGB Election. Parent will be able to drive onto the school grounds on this day and will be able to vote in the comfort of their vehicles. The time slots have been carefully chosen to ensure minimal effort on behalf of the parents and staff and also with health and safety in mind.

The election process is run by our School Electoral Officer (SEO), who is Mr R Abrahams, Principal of Tamboerskloof Primary School. It is essential to have some form of identification to be able to vote (ID book or card, Driver's License or Passport) as the SEO does not know you. Please come and cast your vote. If the weather is bad on voting day, we have an alternative arrangement to vote in our Seminar Room.

YOUR VOTE YOUR VOICE

2021 SGB ELECTION

TUESDAY, 23 MARCH 2021

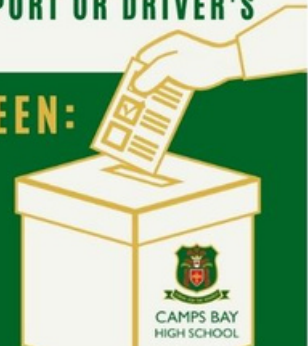

- DRIVE THROUGH POLLING STATION IN CBHS DRIVEWAY
- NO NEED TO GET OUT OF YOUR CAR
- REMEMBER TO BRING IDENTIFICATION WITH YOU (I.D, PASSPORT OR DRIVER'S LICENSE)

POLLS OPEN BETWEEN:

07:00 TO 09:00

14:00 TO 15:30

18:00 TO 20:00

SGB ELECTION CANDIDATES

ASHLEY HOLLING

Father of Dominic – Gr 11

RELATIVE KNOWLEDGE AND EXPERIENCE:

I have served as Chairperson of Ambleside School of Hout Bay and I have served on the SGB of Camps Bay High School.

OCCUPATION, SKILLS & EXPERIENCE THAT COULD BENEFIT THE SGB:

I am an engineer by training, but have been working in the area of project management for the past 20 years. For most of my career I was working in the area of Telecommunications – and in Public Health for the past 2 years. My involvement in supporting education started in 2010 when I was volunteering part time to support a program whereby well resourced schools in Johannesburg helped under-privileged schools. I enjoy being able to use my tech experience where that can help in solving problems and streamlining processes.

VISION FOR THE SCHOOL:

My vision is for a school in which children of all backgrounds are provided the opportunity to excel. A community in which everyone is respected and whereby the school is enriched by having a diversity of skills, strengths and interests being appreciated and celebrated.

CARA KAHN

Mother of Mila – Gr 8 and Noah – Gr 11

RELATIVE KNOWLEDGE AND EXPERIENCE:

I have served as co-opted member of the Camps Bay High School SGB for the past two years.

OCCUPATION, SKILLS & EXPERIENCE THAT COULD BENEFIT THE SGB:

As a past pupil of all three Camps Bay schools I feel very honoured to be elected onto the School Governing Body. I have served as a co-opted member for the last two years and I think it's a privilege to see how much effort goes into the behind the scenes workings of a school.

Both my children Noah – Grade 11 and Mila – Grade 8 are now at CBHS, both of their parents and grandmothers also went to CBHS so we are quite entrenched.

VISION FOR THE SCHOOL:

I have really enjoyed seeing the evolution through the years and especially love how diverse our school has become.

My particular interest is in the alumni and growing that so that our children benefit from the sense of community and long standing friendships into the future no matter where they live in the world.

JANINE THETARD

Mother of Daniel – Gr 11

RELATIVE KNOWLEDGE AND EXPERIENCE:

I am a past pupil of Camps Bay High School, class of '89, & a proud parent to Joshua, Caleb (Matric 2018) and Daniel (grade 11) and I am married to Werner. It is an honour to serve on the School Governing Body alongside Staff, Student Representatives and Parents of Camps Bay High School.

The SGB team gift the school with our time, efforts, and experience to support the values and promote policies which embrace the diversity of our learners while preparing them to achieve their potential as respectful, confident, and service driven community team players.

OCCUPATION, SKILLS & EXPERIENCE THAT COULD BENEFIT THE SGB:

My background is Family-Centered. My role as Director of Victory Kids, a Centre for Special Needs Children, included training, equipping, coaching, and supporting Families, Professionals, Teachers, and Students in behaviour strategies, creating attainable goals and creative problem-solving. This experience has developed a passion in me to see people empowered and encouraged and has grown a love of connection, relationship and especially service. I am also blessed to be able to use my Dance Teaching Qualification(SABOD) to assist with Extra Mural Dance and Productions, This is what family looks like.

VISION FOR THE SCHOOL:

My vision for CBHS flows from the roles I currently occupy

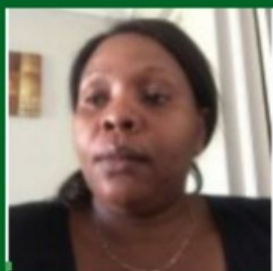

1. Head of Discipline Sub Committee 2018-2021

I am passionate about serving on a team that approach behaviour in Education from a Restorative and Relational perspective. This is a visionary approach still new to South African schools. The goal is to empower learners and develop the school's policies and procedures to create a culture of respect, empathy, fairness, accountability, and opportunities for reflective change and healing for all involved. As Chair of Disciplinary Hearings my role is ensure a fair and objective process. The team of Parents, Student Representatives and Staff are currently updating the Code-of-Conduct which will define the school's principles and values for the years ahead. Please contact me if you would like to discuss assisting us.

2. PLB – Parent Liaison Body 2018-2021

I have the pleasure of serving on this team. Identifying needs and offering service is a key role parents can provide the school, its often just asking the question "what do you need?" and then responding. There are still many projects in the works, and many ways to help, from your time, passion and even connections. If you see a need, have ideas, or want to be part of a team that supports our school please get in touch with one of us.

My reward is to give back to a school that has given to our children every opportunity not only in Academics, Sport, Culture and Service, but as a family, committed to relationship. I look forward to the next two years of service to the School Governing Body of Camps Bay High School.

MAKOMBORERO MUVIRMI

Mother of Sean – Gr 10

RELATIVE KNOWLEDGE AND EXPERIENCE:

Being an experienced technical support with good communication skills, speaking to customers to quickly get to the root of their problems, assessing customer support, giving attention to detail, diagnosing and repairing faults, gives me a solid foundation to assist on the SGB. I also have teaching experience of 5 years before I changed my career so I understand the school environment and operational structures.

OCCUPATION, SKILLS & EXPERIENCE THAT COULD BENEFIT THE SGB:

As the only black person in my department in SA and also dealing with organisations in another four countries, I have learnt to deal with different cultures, norms and values within the organisation.

It has helped me in excelling in what I do and I also know how to resolve problems and how to deal with situations diligently. I'm passionate in diversity, and skills development.

VISION FOR THE SCHOOL:

Education being the light, and a key/priority to life as well as skill development when it comes to a logical and solid establishment of an academic structure in this day and era.

With my ability to understand the difficulties/challenges in the youth, by continuously supporting them, having proactive communication, and using multifaceted approaches to modern day challenges are required.

NOSONGEZO "SONGIE" MPOFU

Mother of Sibongile – Gr 10

RELATIVE KNOWLEDGE AND EXPERIENCE:

I have always enjoyed assisting with school events and helped in 2018 with the fashion show – looking after children backstage and preparing them to ensure that they were ready to perform in the show.

I was also part of the Matric Ball preparatory committee in 2019.

I work well as a member of a team and am eager to learn and help where I can on the SGB so that I can contribute to the school.

OCCUPATION, SKILLS & EXPERIENCE THAT COULD BENEFIT THE SGB:

As a Human Capital person, I have extensive experience working on policies and can assist when the school is updating school policies.

VISION FOR THE SCHOOL:

For the school to uphold its values and improve on any weakness areas identified.

SHAKIR SMITH

Father of Aamirah – Gr 10

RELATIVE KNOWLEDGE AND EXPERIENCE:

At Sea Point Primary School, I served as chairman of the PTA for three years and held the post of SGB Chairman for 12 years. The Duties were as per the current Camps Bay High School SGB duties.

OCCUPATION, SKILLS & EXPERIENCE THAT COULD BENEFIT THE SGB:

I currently serve on the sub council of Sector 6 Ward 2 as the Health and Safety Representative for the Parow West area, and the CPF Sub Forum Chairman. I am also the current Chairman of the Parow West Neighbourhood Watch.

I work in the air conditioning and construction industry and have a number of different skills that can add value to our school on every level.

VISION FOR THE SCHOOL:

To facilitate and ensure that all learners of the school have access to learning through the provision of:

- Cohesive, in-depth learning programs aligned to grade level content informed by the Department of Basic Education curriculum;
- Inspire and retain highly effective teachers, focussed on improving learner outcomes, through their commitment to ongoing development, quality teaching, and mentoring;
- Providing an all inclusive learning environment that is responsive to learner needs;
- Enhancing and growing the schools resources;
- Involving parents to participate in learning and decision making; and
- To assist in developing a more practical approach to prepare the learners for the real world, as they are generally unprepared for what awaits them.

SHAMISO NYOKA

Mother of Cherise - Gr 11

RELATIVE KNOWLEDGE AND EXPERIENCE:

Having served as SGB member since 2019 and during the worst pandemic of our century where hard, sad and uncommon decisions had to be made. I have garnered enough strength, tenacity, knowledge and understanding of serving in both favorable and unfavorable situations.

I have also brought in the diversity, which is one of the core ethos of Camps Bay high school. As a foreigner, I can be a source of encouragement and support for other foreign families who don't feel like they belong. It is hard being in a foreign land and maybe speaking to me may help one family to fully realise that CBHS is indeed a family, irrespective of race, origin, culture and language and that everyone is accepted and heard.

OCCUPATION, SKILLS & EXPERIENCE THAT COULD BENEFIT THE SGB:

Having worked in the mental health institute for 12 years, I can bring knowledge and understanding on mental health. School life does not just impact physical, social life of our children, the mental health aspect plays a very important and vital role. I believe mental health should never be ignored - sometimes a child failing or misbehaving can ultimately be attributed to mental health issues. Identifying this can bring difference to individual situations when it comes to disciplining children and understanding academic performance especially if they are struggling.

VISION FOR THE SCHOOL:

My vision for the school is that it continues to grow its cultural aspects, sport and most importantly academics. I believe discipline should be a platform of teaching and reform not punishment, segregation and exclusion. The school continues to be a home away from home, no matter where you are from.

SIMONE SEGALL

Mother of Daniella
- Gr 10
& Nathan - Gr 9

RELATIVE KNOWLEDGE AND EXPERIENCE:

I have been part of the Camps Bay School Community since 2003 when my oldest son, Cole started in Grade 3 at the Primary School.

I was actively involved on the PTA at the Primary School and served on the High School SGB for 6 years building up the PLB (Parent Liaison Body) portfolio, assisting with special projects and helping in the Clothing Shop.

In 2009, my daughter, Daniella, started at the Prep Campus, followed by my son, Nathan, where I also served on the PTA (Chairperson for 2 years. I continued on the PTA through both their Primary School years.

I have been serving on the SGB again since 2019 continuing with work on the PLB as well as serving on the Disciplinary Committee.

OCCUPATION, SKILLS & EXPERIENCE THAT COULD BENEFIT THE SGB:

I have been self-employed for past 15 years, working as a bookkeeper.

VISION FOR THE SCHOOL:

I would like to continue working in all areas or projects that will benefit the children, the school and the staff, in any way.

WERNER THETARD

Father of Daniel - Gr 11

RELATIVE KNOWLEDGE AND EXPERIENCE:

I am Werner Thetard, the father of Daniel in Grade 11 & past pupil, Caleb, who matriculated in 2018. My wife, Janine, and I have served as a team on the governing body of the Camps Bay High School for 2 terms since 2015, with me recently as Chairperson and Janine as Chairperson of the Discipline Subcommittee.

OCCUPATION, SKILLS & EXPERIENCE THAT COULD BENEFIT THE SGB:

I am employed as a Director of Indigo Brands, which is a subsidiary of JSE-listed AVI. Furthermore, I have served as an EXCO member of the AMA, currently for the CTFA as EXCO member and as a Trustee on the ANGLOVAAL Group Medical Scheme. These executive and non-executive roles, when combined with my membership of the Institute of Directors of SA, also help to understand the governance accountability of the SGB.

VISION FOR THE SCHOOL:

School governance, by way of elected SGBs, is intended to enable community participation in decision-making at school level in a supportive and collaborative way - summed up in the term "cooperative governance". The governing body consists of the representatives from parents/guardians, the school management team, staff and pupils; who work together to pursue academic excellence, school safety, discipline and financial management/control.

Ultimately, the governing body needs to ensure the appropriate strategic plans and policies are in place for continuity of Camps Bay High School, which serves the local community, and to maximise the potential of our learners to become successful individuals, who can make a difference in South Africa.

In 2017, the SGB developed a strategic plan, which covered the four pillars of academics, culture, service and sport and documented the "value proposition" of Camps Bay High School. As a fee paying school, the plan also addressed the financial resources for investments in facilities and staff/teachers, which could become necessary in the near future.

As a first priority, the newly elected SGB needs to review and update this plan in response to the longer-term trends in education, technology and the society we live in.

VOTE IN THE 2021 SGB ELECTION

TUESDAY, 23 MARCH 2021

**AND YOU COULD WIN ONE OF FOUR
R100 OCEAN BASKET VOUCHERS**

RETURN OF ALL THE GRADES TO SCHOOL

As was stated in a previous Newsletter, the intention of the school was to bring the learner body back to school every day at some point, as long as we could do so safely. This was to ensure the academic curriculum was not compromised in any way and also to ensure all assessments could be completed this term.

Thus, on Tuesday 23 March 2021, all grades will return to school every day until further notice. Today we had the school at 80% capacity in preparation for the return of all the learners on Tuesday.

EXTRA MASKS

We are finding that an increasing number of learners' masks are breaking during the day. If your child makes use of disposable masks, please make sure that they pack an extra mask as a back up in case of emergencies.

Wishing you a restful long weekend.

Yours sincerely,

MR LOUIS MOSTERT
ACTING PRINCIPAL

Academics at Camps Bay High School

Mr Kevin Jenneke - Acting Head of Academics

All learners and parents will have received the Test and Assignment Calendar last week. Please note, that learners who fail to complete assignments and/or miss assessments need to supply the school with a medical certificate or an affidavit (completed at the police station).

2020 ACADEMIC AWARDS ASSEMBLY

Class of 2020 Top Achievers

Photo Credit: Danielle Chapman Gr 12

it was really good to be able to celebrate the academic successes of our current Grade 9 to 12 learners and last year's Matriculants at our 2020 Academic Awards Assembly, held last Friday. It was particularly special to have so many of our top achievers of the Matric Class of 2020 in attendance as this is the last opportunity we have to thank them publically and congratulate them on your excellent results.

Due to COVID restrictions, we unfortunately could not have the entire school in attendance, as would be the norm, and we had to livestream the ceremony to the Dennis Abrahams Quad so that our junior award winners could be part of the programme.

Despite the challenges faced due to COVID, many of our learners excelled in the final examinations. Congratulations to all those who received awards and well done to all the other learners who worked to the best of their abilities in very challenging circumstances.

Thank you to our 2020 Dux Scholar and Top Academic Achiever from the Matric Class of 2020,

Francois Kemp, who gave a truly inspirational and motivational speech to the learners present. Not only did Francois achieve a place amongst the Top 40 learners in the Western Cape but he was also in third place in English Home Language and ninth place in Afrikaans First Additional Language in the Western Cape.

To listen to Francois' speech given at the assembly, click on this link:

Sport at Camps Bay High School

Ms Busi Ngcwama

WINTER SPORTS ACADEMIES

The Senior Winter Sports Academies are now all up and running. These include netball, hockey, rugby and soccer.

EXTRA MURAL DANCE

There will be auditions on Tuesday 23 March after school so that we can assign people to the correct classes. ALL dancers must come to the hall to sign up - whether you are new or have danced here for years!

Dancers who **MUST** attend auditions are:

- ALL Grade 8s and 9s wanting to be part of extra mural dance
- NEW grade 10s - 12s who have joined the school in 2020 or 2021 who want to do extra mural dance

Existing Grade 10s - 12s do not have to audition BUT they must arrive at the audition to SIGN UP! There are limited places - people who miss classes regularly will forfeit their places

NEW DANCE TIMETABLE:

Monday & Wednesday:	3pm - 4pm	Advanced	(Hall with TS)
Monday:	3:30pm - 4:30pm	Intermediate/pre advanced	(Drama room with JT)
Wednesday:	3pm - 4pm	Intermediate/pre-advanced	(Drama room with JT)
Tuesday & Thursday:	3pm - 4pm	Intermediate/pre-advanced	(Hall with TS)
Tuesday:	4pm - 5pm	Beginner/pre-intermediate	(Hall with TS)

After auditions the class lists will be stuck up on the wall outside Ms Scarborough's classroom (Room 21). Please go and see which class you are placed in.

Classes will resume from Wednesday, 24 March 2021 with the new timetable.

CROSS COUNTRY

Now that all grades are back every day, Cross Country will now take place on Monday and Wednesday afternoons.

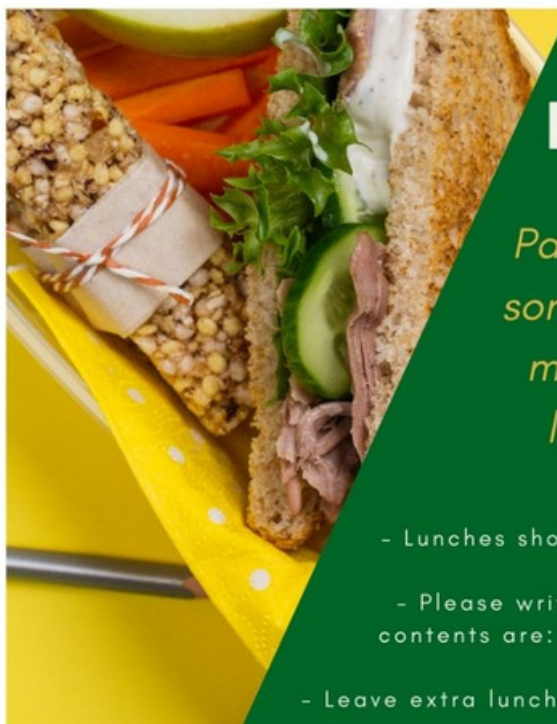

Service at Camps Bay High School

Ms Kirsten Mobsby

At Camps Bay High School we have students who come from very different backgrounds. Some of our learners battle with food security issues on a daily basis.

We have identified a number of learners who are "going hungry" almost every day and will be doing our best to provide them with a meal every day at school.

If you would like to assist, please pack an extra lunch and leave in the kitchen for those in need.

EXTRA LUNCH DRIVE

Pack an extra lunch for someone at school who may be not be getting lunch at the moment.

- Lunches should be packaged individually.

- Please write on outside of bag what the contents are: e.g. cheese sandwich, apple.

- Leave extra lunch in the kitchen before school.

PRESIDENT'S AWARD

Well done to the following learners who completed various levels of the President's Award last year:

BRONZE

Nikita Erni
Ailing Guan
Kukhanya Finca
Matthew Pape
Benjamin Pienaar

SILVER

Casey Bloomberg
Amy Bysshe
Nicholas Haupt
Dominic Holling
King Langdon

ENVIRONMENTAL CLUB CLEAN-UP

The Environmental Club hosted a clean-up yesterday at Maiden's Cove. The team logged all the litter they collected on the Marine Debris Tracker App.

The Marine Debris Tracker is designed to help citizen scientists make a difference by contributing data on plastic pollution. Download the app today.

PR TEAM

The PR Team has helped behind-the-scenes at various events recently including the Academic Awards Assembly and a tea with prospective Grade 7 parents. They will also be assisting with the upcoming SGB Election.

PR TEAM LEADERS FOR 2021

The PR Team recently held online elections to vote for their new PR Team Secretary, Deputy Head and Head for 2021. Congratulations to the following learners who have been appointed to the PR Team Committee:

The PR Team Secretary is **Sophia Eiki**,
The PR Team Deputy Head is **Cathrine Madzatunya**, and
The PR Team Head is **Sophie Rehn**.

AV TEAM

The AV Team were responsible for all the technical requirements needed at the Academic Assembly. This included providing a live-feed to the DAQ so the Junior Prizewinners could watch the proceedings.

INTERACT

Interact is hosting an Easter Egg Drive. Each easter egg donated counts for house points. The eggs will be donated to less fortunate children.

Eggs can be collected by your tutor and dropped off in Ms Mobsby's Classroom. The drive runs until 31 March 2021

RCL GRADE 8 REPRESENTATIVES

Well done to the learners elected to be the 2021 Grade 8 RCL Representatives, who are **Savina Eiki, Shani Gilmour and Storm Hobbs**.

RCL LEADERS FOR 2021

Congratulations to **Michael Gulston** who has been elected as Head of RCL for 2021 and to **Nishaat Williams** who is the Deputy Head of RCL for 2021.

Culture at Camps Bay High School

Mrs Bronwyn Harvey

Our **Chess Club** has resumed on Wednesday afternoons with Coach Dione Goredema. Coach Dione has coached at many excellent schools, and is also part of the Western Cape Chess coaching team. We are very excited to have him join the CBHS community.

The **Debating Society** has welcomed past pupil Nwabisa Mbisholo back as a debating coach recommended by Rotary. Our debating team has seen great success over the last few years, and we expect more of the same under the careful guidance of Ms Mbisholo.

The **CBHS orchestra** has resumed rehearsals with our Matric music learners playing an integral role from sectional coaching to conducting. We look forward to performing for an audience again soon, however, we will be posting performances of our repertoire in the near future.

The Cultural Portfolio is seeing exciting growth in terms of its offering of societies and clubs. Keep an eye on the CBHS social media pages for more information and updates.

COVID-19 UPDATE

Mrs Bronwyn Harvey

We have been quite pleased with most of our learners who have been demonstrating great social responsibility by adhering to the government-mandated regulations of physical distancing and correct mask-wearing. We have seen no on-site transmissions, and no learners reporting positive COVID-19 test results.

We do still implore parents to speak to their children about being mindful of wearing their masks correctly as well as adhering to physical distancing. This will be vital in maintaining our current record of no on-site transmissions this year, especially as the whole school returns to campus every day from next week.

As per the CBHS COVID-19 compliance inspection report from Cape Town City Health, we will be continuing with our measures such as adhering to maximum capacity regulations for all venues, as well as other regulations to minimise close contact between learners such as walking on the left hand side of the passages.

We are so grateful to our parents who have worked with us to keep all the adults and learners on campus safe and healthy. Your efforts are seen and appreciated; your children have done you proud.

**KEEP LEFT IN
