## Newsletter #19\_2017

26 May 2017

### Dear Parents

Assembly this morning was the second Prefect Assembly of the year, and we were treated to a most entertaining occasion. The opening number involved all the male prefects doing a very complicated dance routine. There was also a Kudu video encouraging the school to stop chasing the Kudu.

After announcements and further skits, the Assembly ended with a lip-sync competition between **Ms Mobsby** impersonating Gloria Gaynor and **Mr Cross** and **Ms Harvey** lip-synching "Don't Stop Believing" from Journey. This brought an end to a very enjoyable and humorous assembly.

### Muizenberg Derby On Saturday 20 May 2017

We had a very good Derby against Muizenberg High School last Saturday. They were welcoming and we were evenly matched. On balance, we won 7 matches and lost 6 matches.

A group of our boys got together and formed a boy's hockey team to compete against Muizenberg. They performed well, narrowly losing 2-0. **Skye Hodgkinson-Bain** of Grade 12 pulled the boys together for this match.

### Dance Showcase

On Friday, I was privileged to attend the Dance Showcase. What a magical evening this proved to be, watching 80 dancers perform in 18 numbers each with its own unique choreography, music staging and lighting. It was amazing.

Well done to all the performers, the backstage team, the lighting team and **Ms Scarborough** who had the vision and energy to make this all happen.

### Grades 8 and 9 Music Recital

On Wednesday we were treated by the junior music pupils to an evening of music performances. This was the first evening of its kind that **Ms Harvey** put together and it unveiled a group of very talented junior music pupils. This bodes well for the future of music at Camps Bay High School.

### The Week Ahead

**Saturday 27 May 2017:**

**Rugby matches** away at Malibu High School.

**Monday 29 May 2017:**

**Show choir performers** in Primary School Assembly.

**Tuesday 30 May 2017:**

**Grade 10 to 12 Music Recital** (for parents) from 18h00 to 19h00.

**Reminder: Exams start on Monday 5 June 2017.**

With exams just around the corner, all classes are bringing the work to a close and moving on to revision.

Have a good weekend.

Yours sincerely

**DAVID DE KORTE  
PRINCIPAL**

## **ADVERTISEMENTS**

### **Afrikaans Exam Revision Workshops**

These are being held by qualified and experienced teacher. The focus of Afrikaans is mostly on the application of skills in writing and literacy with little time spent on grammar rules and concepts.

In these workshops, focus will be placed on the revision of various previous exam papers. Questions from several papers will be combined to analyse the various ways of questioning and to discuss the necessary approach to answer these questions correctly. Where necessary, the rules will be explained and reinforced to ensure a solid understanding and an ability to apply these accurately and consistently.

## Parent Driven Project Initiatives 2017:

### NEW SPECTATOR STANDS

Greetings and salutations to all our wonderful CBHS parents and guardians. As the first of our parent-driven projects for this year, we are looking at purchasing of twelve of these Spectator Stands for the school.

We have countless events going on at our busy school and not enough stands to facilitate spectator viewing and those we do have are massive and not easily relocated. These ones we have selected and need can be easily moved by our estate staff

They're 100% recycled plastic packaging, long lasting and maintenance-free - but not cheap!

So the idea is to get a drive going which will enlist the support and participation in this initiative by all parents, extended family, guardians, past pupils, friends of Camps Bay High School as well as donations from corporate sponsors and businesses in Camps Bay. Each bench will carry a plaque on it with the donors name(s) or corporate sponsors name on it.

Last year we raised donations for eight benches/tables for around the school for pupils to use as there was not enough seating for pupils. Each bench carried a plaque on it engraved with the donor(s) names and or dedication.

### Ways in which the donations can be made:-

- Outright donations for the full cost of a stand from a company or family can be given ( total value of one stand **R15 500**)
- Alternatively a contribution by each member of each Grade of **R300-00** then goes toward the purchase of a stand or stands and the names of the grade contributing families (or child's name is included on the grade plaque(s) )

***This stand was donated by the following 2017 Grade 9's:***

- A. Family name or pupils name***
- B. Family name or pupils name***
- C. etc.***
