Newsletter #26_2017

04 August 2017

Dear Parents,

Concerns over the safety of our children attending 'house parties' were raised again this week, following an unsupervised party over the weekend. Parents were shocked to hear that alcohol and dagga were available at the party and the parents of the home where the party was held, were nowhere in sight. While parents are careful to not allow their children to go 'clubbing' in Long Street, they feel far happier and safer allowing their children to attend a private party at someone's home. In the past, as a parent, you would have checked with the parents on the conditions of the party and what time your child should be collected. Today, parents are pressurised not to come in and embarrass them, with the children often asking to be dropped around the corner. Returning to my opening comments around safety, can I encourage you to make sure that the house party is safe, that there is adult supervision and that there are no plans to allow alcohol. You also need to ensure that the party is age appropriate. To do this, you may have to embarrass your child by going in and talking to the host adults, but I think it's worth it.

CAREERS FAIR

On Monday we will be hosting the Cape Career Exhibitors Association (CCEA) careers fair. We will have representatives from over 25 tertiary study institutions available to answer questions and offer some guidance to our Grade 11 and 12 learners. Some of the institutions include: Red and Yellow, VEGA, CPUT, AFDA and many others. They will be exhibiting between 9:00 and 10:30 in the morning in the seminar room. We look forward to hosting them and hearing from them as our learners begin to make decisions about their life after Grade 12.

TABLEVIEW DERBY

Many thanks for all the support we enjoyed last weekend, when we hosted Tableview High. We performed very well and enjoyed a great morning of sport.

WELL DONE

We would like to congratulate and highlight Cameron Patrick's fantastic results at the South African Interprovincial Championships recently held in Port Elizabeth. He was selected to represent the Western Cape Novice Eventing team. Cameron came 3rd in the junior novice individuals. This result helped his team secure the gold medal and win the interprovincials.

We are also delighted to hear that Juliette Rose-Innes has had a poem published in the most recent addition of English Alive.

HIT LIST

I am looking forward to seeing you at 'Hit List'.

The show is a new musical loosely based on the television show, SMASH. Hit List centres around three characters, Amanda, Jesse and 'The Diva', as they seek to attain and hold onto fame. The part of Amanda is being alternated by Jessica Page and Sienna Widd, Jesse is played by Ziev Kazansky and 'The Diva' is alternated between Sandrine Theron and Asemahle Kutu. The story serves as a warning about the modern drive for fame and the true cost of the celebrity LIFESTYLE. The musical theatre experience is spectacular for an audience as it transports one beyond the everyday and allows one to engage on a multisensory level. With Direction by Sheldon Cross, Musical Direction by Bronwyn Harvey, Costume Design by Tracy Rushmere and Keanu Allen, Sound and Lighting by Ross Mileham and inspired original Choreography by Teva Scarborough, this promises to be a wonderfully visceral experience and an event not to be missed.

We will be staging this musical from 10 August 2017 to 12 August 2017 – 7pm

Tickets are R50 for pupils and R60 for adults.

Tickets can be bought from Mrs Ashcroft (campsbayschools@gmail.com)

TROY'S TRIUMPH

Some of you may have heard that on Thursday 27 June 2017, The Ferguson family got the worst news that the amazing Troy has being diagnosed with Hodgkin's Lymphoma.

It's going to be a 6-month journey of chemo treatment. Troy has had a Port implanted near his chest to be able to receive his chemo which he has started. Overnight their lives change direction. Now, it's not about school and being a teenager, it's about getting WELL!

The lymphoma Troy has, has a high cure rate and we don't doubt that Troy WILL be 100% healed after his treatment.

He and his family are going to need all the support they can get and fundraising will be very important. The first fund raising initiative will be a golf day on Sunday 6th August at the Durbanville Golf Club, through a wonderful organization called Jason Schouw Cancer Fundraiser. Below is the Letter they have put out for the day.

"This initiative was started 3 years ago by friends of Jason Schouw who himself was diagnosed with Cancer in September 2015. Jason was fortunate enough to receive treatment and he has been in remission since January 2017. He decided to make this an annual event, to raise funds for children diagnosed with cancer in particular to assist with the huge medical expense for treatment of such children.

The Golf Day has proven to be successful over the last 2 years with over 120 players participating on the day.

We have earmarked a 14-year-old boy Troy Ferguson as the Main Beneficiary this Year.

Troy was diagnosed with Hodgkin's Lymphoma on the 27th of June. He is currently in grade 8 and had to undergo his first chemo on Monday the 17th of July after which his port got infected.... exactly as what happened to Jason.

This young man presently excels at Sport, namely Athletics and Water Polo and he has achieved Provincial Colours for Athletics. Hopefully with our assistance we can take some of the pressure of the Family and let them rather concentrate on Troy's recovery.

We respectfully request any assistance from your side in this regard."

Should anyone want to know more about the golf day or make any donations big or small, please contact Debra Sivertsen on 0737192800 or on debra.sivertsen@radissonblu.com

Please follow Troy's Story either on Facebook under Troy's Triumph or on Instagram@troys_triumph.

Chic Mamas a Charity Shop in Hout Bay. (20B Earl Street, behind Sentinel Pharmacy).

Managed by Allison Jebens and former Calvin Klein model, Josie Borain, and a group of keen volunteers, the shop will embellish the already glittering achievements of this NGO, which raises funds for educational projects.

All proceeds from the Hout Bay shop go towards supporting the government schools in Hout Bay.

This green and ethical yet stylish initiative resells upmarket and designer fashion at bargain prices. Hout Bay residents, renowned for having embraced the ethos of reducing, reusing and recycling unwanted goods, will now find their efforts rewarded with improved educational opportunities for their children. Chic Mamas are passionate about education.

We are asking for donations in the form of money, clothes, shoes, hand bags or any other accessories. We are also always looking for volunteers to help man the shop.

To date we have donated over R300 000 to the local schools.

A big thnx from the Team
