## Newsletter #15\_2018

4 May 2018

### Dear Parents

Today is the school's birthday. We are tracking our history back 112 years to 1906 when the school started with one teacher in Argyle Road Camps Bay. In 1912, the current Prep School building was built and housed the school. In 1953 the present Primary School was built and had 300 pupils. In 1955 permission was granted for a High School and by 1967 building started on our site (the current High School). In 1970 we opened our doors.

Not only do we have a proud history, I think we have maintained the essential ethos and culture of the Camps Bay Schools. We still see ourselves as a community school with a 'heart'. Over the years we have established Camps Bay High as a school with an excellent reputation as a fine educational institution. The fact that we receive so many applicants each year for Grade Eight is evidence of this. Today, across all three campuses, we have 1340 children.

### Westerford Derby

Tomorrow we travel to Westerford for our annual morning of sport against their teams. We enjoy a friendly rivalry with the school and we are looking forward to a morning of competitive and enjoyable games. Here is the programme for the morning:
