

CAMPS BAY HIGH SCHOOL

Newsletter #5 2019

1 February 2019

Dear Parents,

We were greeted this morning with the sad news that one of our general workers, *Nicky van Rooyen*, was killed this morning on his way to work while being mugged. He was our “handyman”, and yesterday was at work making repairs in the Computer Room.

He will be sorely missed by his family and colleagues at work. At this time there are no details of the funeral arrangements. We have set up his picture and candles in the foyer area to allow pupils and staff to take a moment to think of him. There will be a formal “farewell” to him in due course.

Camps Bay High School Outreach Programme

Camps Bay High School is a school full of wonderful children who are all very different. We have a saying that there is 'Strength in Diversity'. So, being different is good for us.

Apart from the range of differences that include gender, age, height, weight, sporting ability, cultural interests, race, academic interest and abilities, there are also **economic** differences. While we love the other 'differences', the economic differences are a challenge.

To meet this 'challenge', we have chosen to manage this to the best of our ability on Campus and this means making every effort to minimize these economic differences on campus. Our approach is to make every effort to allow Camps Bay pupils to feel as 'normal' as possible on Campus. So at no stage should they feel that they are less than the other pupils, or that they are missing opportunities because they come from a poorly-resourced home.

To this end, we offer the following support:

- Free lunch every day from Ardi's Tuckshop [Soup and Roll]
- Uniform items if needed
- Books and stationery
- Ad-hoc transport costs
- Free or subsidized camps and outings
- Assistance with reading glasses
- Other needs that may arise.

To access this support, a pupil needs to come privately to me, *Mr. Mostert* or *Mrs. Olivier* [the Bursar] or be referred by a teacher. We will then assess the need and ask the Bursar to allocate resources appropriately.

So where does this money come from to pay for all these needs? As some of the costs like transport for an individual pupil couldn't really be justified from school fees, a decision was taken to set up a separate fund that would be funded from donations. We have done this and it is called the 'Outreach' fund.

Currently, the income is obtained from two sources; the first being regular monthly payments as salary deductions from a small group of teachers and staff who wanted to do this. We also receive donations from past pupils, parents and 'friends of Camps Bay'.

So I am inviting you to be a part of this social responsibility project at Camps Bay High School.

If you wish to make a donation please do an EFT to our school fees account below:

Bank:	FNB Sea Point
Branch Code:	201 809
Account Number:	50240343463
Reference:	Outreach

Thank you for considering this.

Governing Body By-Elections [19 February 2019 @ 5:30 p.m.]

We have two vacancies on the Governing Body and so we will be holding a by-election on **19 February 2019 at 5:30 p.m.** in the **School Hall**. Parents are encouraged to come on the evening and cast their vote.

If you are interested in standing for election, please contact me. You will need to be nominated and seconded to stand.

First Aiders

Congratulations to all our First Aiders who have recently qualified and were given their certificates in Assembly on Monday.

MySchool Card

The MySchool card is an important monthly contributor of funds to our school. We would really encourage all parents to either sign up for a card (see PDF form attached to this newsletter) and make CBHS the beneficiary, and for those who have a card already please take a moment and change the beneficiary to CBHS - especially to all Grade 8 Parents. Your actions will make a huge difference to our income from this initiative.

Boys Waterpolo Fixtures

Unfortunately the Waterpolo fixtures were not available last week so we have included as a separate attachment this week.

Inter-House Athletics Day Results

Well done to **Green House** who made a clean sweep at the Inter-House Athletics Day winning both the Spirit Cup and for finishing in first place with points.

The final House standings for the 2019 Interhouse Athletics were:

- 1st:** Green House
- 2nd:** Orange House
- 3rd:** Blue House
- 4th:** Yellow House
- 5th:** Red House
- 6th:** Purple House

All the pictures from Interhouse Athletics Day have been loaded to the **Camps Bay High School Facebook page**.

We have also included a short video of each house on the Camps Bay High School YouTube Channel: https://www.youtube.com/channel/UCTY4cGSUTOKs2qq2yeK7ccg?view_as=subscriber

Be sure to subscribe to our YouTube channel as we will be using this more regularly to upload school activities.

We are reconciling the results and checking for records and will be announcing those next week.

Tuck Shop and Vending Machines

The student body and parents highlighted some issues with regards to the Tuck Shop (Ardi's) and the vending machines in the survey conducted towards the end of 2018. We have therefore removed items with high sugar from the vending machines and once the current stock of sugary cold-drinks in the tuckshop is sold out, we will replace these with sugar-free cold drinks and water.

We have also replaced the vending machines with ones that take notes, which was highlighted as an issue by students and staff.

The Tuck Shop has put up a menu with a price list which is visible to everyone in the Tuck Shop to see.

We have addressed the queuing issues with the introduction of one-queue system with stanchions (like the Woolies queues) which will be monitored by Prefects at break times. Ardi's is also working on Pre-Order menu that parents can opt to order for their child on a monthly basis which will also take some of the pressure off the queues.

Ardi's has introduced some R15=00 cups to his menu which includes things like boiled eggs, falafel balls, and vegetables served with hummus or tzatziki.

We are investigating the upgrade of the premises on a SGB level.

We remind parents that soup and a roll is available FREE OF CHARGE to all students in need at break time. This is to ensure that no student on our campus goes hungry. Students help themselves to this from the side door at Ardi's.

Camps Bay High School Open Day

We will be hosting our Open Day for 2020 on **Wednesday, 13 February 2019** from **12h00 p.m. noon**.

Camps Bay High School OPEN DAY 2020

Urgent Appeal for Help with Flamingos from ACTA (Against Cruelty To Animals)

You might have read in the news that over 1500 flamingo chicks were rescued from the Kamfersdam in Kimberley where a colony of lesser Flamingos breed annually. The dam started to dry up leaving hundreds of young chicks in need of rescue. Thousands of chicks and unhatched eggs were collected and taken to the Kimberley SPCA where rehabilitation was started.

Because there were so many, and the task of caring for them is around the clock, the SPCA reached out to other organisations for assistance. In Cape Town, about 500 chicks are at SANCCOB in Table View, and about 100 are at World of Birds in Hout Bay.

SANCCOB is one of Camps Bay High School Society - Against Cruelty to Animals' (ACTA) main beneficiaries and so they have acted quickly to help with the URGENT appeal but they need the help and support of the rest of the school.

SANCCOB desperately need volunteers to help with the care of the chicks. Volunteers must be over the age of 18 so if anyone has some time to help out, please get in contact.

In addition, they URGENTLY need supplies for the flamingo chicks. ACTA will be collecting for them over the next few weeks. Please bring any donations to school. You can give to Ms. Janse Van Rensburg or leave at Reception.

SANCCOB needs:

- Free-range eggs - preferably hard-boiled and peeled
- Nestum Baby rice cereal stage 1
- Prawns (frozen and de-shelled)
- A-grade sardine (frozen, not tinned)
- Cani-cal supplement
- Cani-vit supplement
- Mobiflex powder
- Entero-plus or protexin
- Towels
- 10ml & 20ml Syringes
- Measuring jugs
- Milk crates

NOTES

- There are a few matches which cannot be included due to time restrictions. We will have a league table for each for each age group u/14, u 15/16 combined and u/19 to determine the best 2 teams from each of the three age groups for the A-league knock-out tournament.
- Please send all results to jsass@herzlia.com on the Monday post Friday afternoons matches. I only require the results for each of the boys teams, the match sheet are for your records.
- I suggest that a school with two or more waterpolo match pools to host our own girls and boys B-league tournament over Thursday 7 and Friday 8 March. Format to be decided once a venue is confirmed.
- Reddam Atlantic would like to take part in friendly matches. If you have a scheduled BYE on the day, please contact Shelley Robertson to arrange matches against them.
- Each school has different number of teams per age group. Please contact the MIC on the Monday prior to your Friday matches to ensure you have enough time to arrange friendlies for your additional teams.
