

CAMPS BAY HIGH SCHOOL

Newsletter #15 2019

26 April 2019

Dear Parents,

Today the Camps Bay Schools celebrated our 113th birthday called 'Founders Day'. All three schools had a special Founders Day Assembly where we focussed on our history and how we came to be the schools we are today.

So, for you as parents, here is a brief history of the Camps Bay Schools. Way back in 1906 a small school started in the church hall in Argyle Road. There were just seven pupils. By 1912 the need for a dedicated school structure had been recognized and work started on the building that is now the Prep School in Central Drive. Forty years later in 1953 the school had grown to 300 pupils and was too big for the building and in 1955 this 'school' was allowed to continue into offering High School [Standard 6]. By 1976 the need for a separate High School was acknowledged by the education department and construction on our current building had begun. This was completed and in 1970 the present High School building opened its doors.

The High School lies on a slope and to create a platform for the school a lot of excavations had to be done. In these excavations the two cannon which are mounted below the school were dug up. It is believed that they were from a French battery that was situated on this slope to defend Cape Town. We may have started with seven children in 1906 but today there are about 1400 children across the three Camps Bay School campuses.

Our Founders Day Assembly saw us include five past pupils. We had the Head prefect from the 1989 class, *Glen MacLachlan*, the Deputy Head prefect from the 1999 class, *Lauren Teasdale* (nee O'Donnell) and the Head prefect from 2009 class, *Russel Daries*. Each spoke affectionately of their time at Camps Bay and the memories they cherished and the lessons learned. We were also fortunate to have two past pupils perform in our Assembly. *Bongiwe Mngomezulu* (2015) sang a song and *Thimna Tibisino* (2018) recited a poem for us.

It was amazing having so many past pupils present in Assembly. So a big thank you to the following people for being part of this special Assembly:

Glen MacLachlan - Head Prefect 1989
Lauren Teasdale (nee O'Donnell) - Class of 1999
Russel Daries - Head Prefect 2009

Class of 1979 - 40th Reunion

It was wonderful to have so many of the Class of 1979 back at school for their Reunion last Thursday evening. Big thanks to CBHS PR Team members, *Amava Mkuku*, *Thandeka Mdawini*, *Rulida Louw* and *Cathrine Madzatunya* for staying late on Thursday night to take the Class of 1979 on tours of the school. This group has spent a week together celebrating and reminiscing about their years at Camps Bay. We would also like to extend our gratitude to this group who have very generously donated a substantial amount of money (R7000 and counting) to the school's Outreach Fund.

RCL Presents Camps Bay High School's Got Talent

RCL is running a "talent contest" this term and students will be performing in Cultural Assembly this term. We have been very impressed with the standard of performances so far.

The first week saw performances from:

Ruby Roderick
Roxy Palframan
Kathryn Sandham
Sibongile Mpofu and Lukholwethu Penduka
Georgia O'Dowd, and
Azasakhe Dyani.

View clips of their performances here: <https://youtu.be/dMv8Tlywqf0>

Bronze Adventurous Journey Hike

Well done to *Sebastian Byrnes*, *Drew Goldie* and *Ruby Berg*, who along with *Diogo Inocentes*, completed their Bronze Adventurous Journey for President's Award recently.

They hiked a total of 32km over two full days and spent one night in a stone hut on the mountain, on the challenging Boosmansbos Trail.

Camps Bay Schools Distribute Over 10 000 Easter Eggs

The three campuses joined forces on one massive Easter Egg Drive, collecting Easter Eggs for members of the Community in need.

At Camps Bay High School, the drive was led by Interact who managed to collect over 2 800 Easter Eggs. The Preparatory Campus of Camps Bay Primary School collected close to 1 900 but the Camps Bay School that collected the most Easter Eggs was Camps Bay Primary School with a massive total of over 5 500 Easter Eggs!

In total, Camps Bay Schools collected approximately 10 200 Easter Eggs.

A team of Camps Bay Schools pupils from the Prep, Primary and High School Campuses, spent Thursday morning distributing amongst schools and organisations in their Community.

The team of pupils distributed to Holy Cross Primary School, Zonnebloem Girls Primary School, Zonnebloem Boys Primary School, Prestwich Street Primary School, St. Paul's Primary School, Ellerton Primary School, the Sea Point Fire Station and Camps Bay Police Station.

In addition, Easter Eggs were distributed to iKahya Le Themba in Imizamo Yethu in Hout Bay, Mosadie Gives Back (a soup kitchen based in Mitchell's Plain) SARDA (South African Riding for the Disabled), Victoria Hospital, Red Cross Children's Hospital, various Old Age Homes and church organisations for distribution at their feeding schemes.

The story was shared to Good Things Guy and South Afri-CAN which have a combined audience of 160 000.

It also featured on the front page of this week's Atlantic Sun.

■ St Paul's Primary in Bo-Kaap was also among the schools chosen for the Easter egg drive.

■ Camps Bay schools collected more than 10 000 Easter eggs.

■ Pupils at Prestwich Primary receiving their Easter eggs.

■ The community heroes at the Sea Point fire station were not forgotten.

Mila Engelbrecht Completes Young Biologist Course

Congratulations to *Mila Engelbrecht* who has completed the Young Biologist course at the Two Oceans Aquarium. She scored 86% and is now qualified to be a volunteer at the aquarium.

World Book Day

On Tuesday, we celebrated World Book Day, allowing students and teachers to dress up as their favourite Book Character. Thank you to RCL and *Mrs. Bright* for organising and congratulations to *Megan Mills* who walked away with the "Best Dressed" title.

Chiara Ross Competes at WP Sailing Champs

Well done to *Chiara Ross* who continues to achieve with her sailing. Chiara and her partner, *Sara Falcon*, sailed the Western Cape Champs (Provincials) over the Easter weekend which was held in Theewaterskloof. They finished 8th overall (420 class) and were the only all-female crew racing in this particular class.

Inter-Provincial Team Announcement

Jonathan Lucas competed for the Western Cape Junior B team and placed 1st in the Junior Boys beach relay, 6th in the Board race, 4th in Tube rescue and 8th in the Surf Swim and *Liya* competed for the Western Cape Nipper A Team and placed 2nd in the U14 Female Board race, 2nd in the Board Relay and 2nd in the Taplin.

The Western Cape A-Team WON interprovincial comp this year and amazing feat to beat the team from KZN.

Ready...Steady...Learn

More videos, more enthusiasm & more opportunity to learn

Operation: EXAM TERM

The first term is now something of the past. Reports were collected and children were either praised or given a bit of a 'talking to' because a better work ethic could have made the difference. With that been said, sometimes the issues which face children are deeper than a poor work ethic. Often it's the ability to soak up the information which becomes the main challenge. There are numerous reasons for this which I won't dive into because we could be here for a while. Better off, I'm here to provide a solution.

Having been tutoring for a little over ten years now, I've found that learning, just like an awkward conversation, has a time and a place. We need to feel comfortable and relaxed when taking on difficult tasks or even just opening our minds to new things. This is why we have created our YouTube channel Qlicked. We feel that having the ability to decide when and where to learn, is something our learners need in order to take control of their academic success. Yes, this does sound idealistic. Is it attainable? Of course, it is.

At Qlicked, we are here to provide learners with top class content while at the same time keeping it informative. For Term 2 we have looked to highlight three pain points for Grades 8-11. These videos can be watched through the television in the lounge (ask your tech savvy child to explain) or on the household computer. Being mindful of the 'creative happy place', a laptop in your child's room/favourite spot in the house would be ideal.

Keep reading down below to see our calendar and how your child can get even more involved with Qlicked.

LOOKING AHEAD:

April 13th - Outreach Maths & Science Workshop at Chris Hani High (private class)

April 27th - JUNE EXAM MASTER CLASS (Gr 8-12)

May 4th - JUNE EXAM MASTER CLASS (Gr 8-12)

May 11th - JUNE EXAM MASTER CLASS (Gr 8-12)

May 18th - JUNE EXAM MASTER CLASS (Gr 8-12)

HOW MANY EXPRESSION CAN YOU MAKE! Michael dissects each part of what makes a mathematical expression.

IS YOUR CHILD STRUGGLING TO STUDY?

Upon browsing the net and analysing articles on this exact topic, it becomes apparent that there are many different forms of improving our memory and ability to soak up information. Here is a quick list of a few that I quite liked:

- Speak Out Loud Instead of Simply Reading
- Reward Yourself with A Treat
- Teach What You Have Learned
- Draw Diagrams
- Times New Roman is the Fastest Font to Read
- Use Apps to Block Distracting Sites
- Watch a Documentary on the Topic
- Create Flashcards for Quick Memory Buzz

It is never easy to find what works for us right away, this takes time. My personal favourites are numbers 3 and 7. Not only does it resonate with what we do here at Qlicked, it's also a key component to allowing our learners to properly understand. Teaching a concept back to the person who taught us allows us to understand the why and not just know the how.

Have a great first week back at school with your children. For any help with Maths and Science, tell your children to subscribe and let the questions fly!
