Newsletter #28 2019

16 August 2019

Dear Parents

Last night was opening night for *eKhaya, The Musical*. It was everything we had hoped for, a home grown Cape Town story with heart. The writer, Penny Youngleson, has managed to capture almost every issue we face in Cape Town today. No social comment has been left unturned, no part of our unique history as a city has been overlooked. So, from District 6 to problems in schools, to issues around race, gender, religion and sexuality, nothing is too sacred to be mentioned. All these issues are aired in a most refreshing and transparent way, with song and humour. A highlight of the show is the main character, *Zoe Baatjies*' speech of hope for Cape Town.

Today in Assembly I thanked all the performers as well as all the pupils and teachers who are playing vital supporting roles in makeup, costume, staging and sound and lighting positions. **Mr Cross** and his team must be commended on such a professional production. So, if you haven't seen the show yet, please make a point of coming either tonight or tomorrow. Definitely a must-see!

GROOTE SCHUUR DERBY DAY – SATURDAY 17 AUGUST 2019

Tomorrow we enjoy a day of sport against Groote Schuur (played away). This year they celebrate their 60th anniversary and so our Derby tomorrow is part of these 'birthday' celebrations. We encourage parents to come and support the school tomorrow. Please see attached the programme for tomorrow.

A reminder that busses leave CBHS at **07.30 a.m.** sharp; learners to be at school by **07.15 a.m.**

VARSITY COLLEGE

We have past pupils spread across the country at various higher education institutions. From time to time we get a list of who is registered at a particular institution. So I was delighted when I received the attached list from Varsity College. It is good to know that our past pupils are doing such a range of courses. Maybe you recognise someone you know when you glance down the attached list.

GRADE 9 STUDENTS INTERVIEW FRANCOIS PIENAAR FOR HISTORY PROJECT

POPULAR AFRIKAANS SINGER REACHES OUT TO CAMPS BAY STUDENTS

Miss Du Plessis got in touch with [Deon Meiring](#) - a well-known Afrikaans singer and told him that she was teaching his songs to her students. Deon decided to put together a message for our students to help motivate them to really try to learn to speak Afrikaans. Deon was a member of the bands - Glaskas and Dans Dans Lisa, and is now making music and singing under his own name.

You can view Deon's message to Camps Bay High School students on our Facebook page.

At the end of the clip you'll see Miss. Du Plessis' Grade 10 students singing one of his songs from Glaskas: Gisteraand.

STUDENTS SUPPORT CAPE LEOPARD TRUST WITH FUNDRAISER

BIG CAT YOUTH AMBASSADORS, *Drew Goldie & Sebastian Byrnes* - both in Grade 10 - recently launched a handmade leopard as part of their BIG CAT YOUTH COLLECTION which is used for fundraising for various big cat sanctuaries in South Africa.

They recently handed over a handmade leopard named *Chui* (meaning leopard in Swahili) to the Cape Leopard Trust. If you would like to support Drew & Sebastian and the Cape Leopard Trust, you can order a CHUI leopard via e-mail –

RAK WEEK

A big thank you to Interact for all the effort they put into making RAK Week wonderful.

As a school they again reminded us just how nice it is to be the recipient of a 'Random Act of Kindness'. On a personal note a big thank you for all the cake and sweet treats we were given today.

They also launched a new project this week - "The Odd Socks Project" wants your odd socks to be paired up and redistributed! If you would like to donate your odd socks, please leave in the box provided at the clothing shop.

Every single sock deserves a second chance

We want the odd socks, the singles. The lonely socks that got separated from their former sock partners through some laundry divorce. We'll pair them up and redistribute them to the homeless.

Please let us have your odd socks. Ask at your work, homes, or everywhere.

Every single sock deserves a second chance!

It's time to get rid of your odd socks...

PARENT LIAISON BODY TERM 3 PROJECT: FACILITIES STAFFROOM

The PLB are appealing to all our parents to assist them in creating a space that allows our very hardworking ground staff, a moment to relax during their breaks.

They are looking for comfortable furniture (couches and chairs) as well as some colourful décor (pictures, cushions etc.). If you have anything to donate or would like to find out more about this project, please contact project leader, Janine Thetard (thetard.janine@gmail.com).

SNAPSCAN AVAILABLE AT THE UNIFORM SHOP

This is an appeal to all in assisting us in reducing the amount of cash on the premises. We would like all learners to use SnapScan when making purchases in the Uniform Shop (uniform items or MyCiti top ups)

MESSAGE FROM OUR PRINCIPAL

The annual GSHS – CBHS sports day is the highlight of the winter season - also the pinnacle of school sport for Gr.12s. Past years' rivalry gave both schools much to celebrate, and 2019 will be no different. We welcome Mr De Korte, the CBHS staff, learners and their parents to our school.

This year is particularly special in that GSHS is celebrating her Diamond Jubilee. We are delighted that the CBHS community will be a part of our collective memory of this year. Through our growth and transformation spanning our 60 years, GSHS has always been keen competitor in sport. With an enrolment of 932 learners today, we are a very different prospect to the early days when the enrolment was 255. We adopted a school motto aligned to our new status – ***effingens future (Shaping the future)***.

We encourage all teams and all players to make this sports day a very enjoyable and successful one. Win or lose, the lasting memories will be of how well we competed and how we were made to feel. To this end, we all have a responsibility. Play hard, play fair, and give your best.

Dear David De Korte,

On behalf of the Independent Institute of Education's (IIE) Varsity College Cape Town campus we greatly value the investment you make into your learners, and the relationship we enjoy with your school.

We would like to take this opportunity to provide feedback on the enrolments we receive from Camps Bay High School for our undergraduate and postgraduate Degree, Diploma, and Higher Certificate qualifications, as we are very proud of the many successful graduates our relationship has produced.

We have included the names of past learners who have registered with the IIE's Varsity College this year and noted any who have participated in key sport events, leadership roles and community projects. We have also included any of your alumni that have graduated through the IIE's Varsity College in the recent 2018 graduation ceremonies.

We wish you and your learners' great success in the 2019 academic year and look forward to supporting and graduating many more of your alumni.

Kind regards,

Louise Wiseman
