## Newsletter #5 2020

14 February 2020

**Dear Parents,**

Today is Valentine's Day, and at school we focus on the day as a time of showing love to those people who are special to you. The commercial theme around cards and hearts, and flowers is very much part of our school day. We allowed pupils to come dressed in "Valentine" colours, namely red, white and black. The Grade 11's arranged for people to send flowers to their "Valentines" in the school and also arranged some activities to make the day more special.

In Assembly this morning, we sang a song from "Journey" to encourage any pupils who had been disappointed today, because maybe they had not been given that card or chocolates that they were hoping for. The chorus we sang was... "don't stop believing!"

I am hoping that behind all this focus on the "media image of relationships", we are able to have authentic discussions on what a real romantic relationship looks like and how people enter these relationships, and how they need to behave when in the relationship to ensure that it lasts and both parties feel valued and respected.

We had a big week of sport with our Interhouse gala on Wednesday and our Interschools Invitational Athletics on Thursday. These two events allowed for a wide range of participation. The Gala went slightly over time. We will announce any records broken in the next newsletter. At the end of the Gala we had our traditional "Big Splash" for the Matrics as they tick off another "last" for the year.

The Inter-Schools Athletics is an event organised by Camps Bay High School where we invite some other schools to join us in an Athletics meeting. This gives our top athletes one last “competition” opportunity before they go to Zonals on Monday, where they are competing for a place in the Provincial Team
