

Dear parents, guardians and learners,

Condolences

We were very sad to hear of the passing of Isabella Lubczonok (Grade 10 Orange) last week and our condolences go out to all her family and friends. She will be sorely missed and we wish her family and friends well in these difficult times.

Reports for Grades 10 to 12

The WCED have finally released the weighting for each subject in Grades 10 to 12. The teachers have entered the assessments marks onto the WCED spread-sheets and are now finalising the spreadsheets that generate our reports. We will take one or two days to check everything and plan to make the reports for these grades available on Thursday 27 May after 16:00.

Parent Meeting for Grade 12 Parents

We would like to create an opportunity for parents of Grade 12 learners to come and see the subject teachers on Tuesday 1 June between 17:00 and 18:30. To ensure all health and safety protocols are met, parents need to indicate that they will be attending by clicking on the link below:

<https://forms.gle/7SJGDPRRCTjbCa4m7>

Extra-mural activities (sports)

By now, I am sure, everyone is aware that the DBE has stopped contact sports at schools for the foreseeable future in the looming face of the third wave hitting us.

I think this was a wise decision as one infected person on a field of play could affect up to 20 learners and 3 teaching staff. This could have major ramifications for all and the safest is to remain cautious.

We recognise that many players were very excited about finally being able to play a match, but we need to abide by the regulations for the safety of all. All sports practices will continue from next week, including the contact sports, but the coaches will alter the practices and activities of these sports to ensure we comply with all COVID-19 protocols. The sports coaches will inform the players as to how they will be conducting their practices.

Discipline Committee

The Discipline Committee is a Sub Committee of the School Governing Body made up of SGB members, co-opted parent members and staff.

The function of the Discipline Committee is to attend SGB discipline hearings for learners in the event of a case of potential serious misconduct. This is not a common practice, occasionally we will be requested to make time available on a week day to convene, apply our minds and arrive at an outcome. This is an important part of the growing move to Restorative Justice within the School Discipline Code.

We are looking to grow the team with parents, specifically from learners in the junior grades who will be able to continue this process. Janine Thetard, the current Head of the Discipline Committee, will be hosting a zoom meeting on Wednesday 26 May 2021 at 20:00 to answer any questions you may have. If you are interested and would like more information, you may email Janine at: thetard.janine@gmail.com.

We look forward to growing a dynamic team of caring individuals committed to the responsibility of Restorative practices.

Masks at school

We have seen an increase in the number of learners requesting masks from the school as their masks have broken. We do have a small supply for emergencies, but these are now being depleted at a rapid rate.

It would be appreciated if every parent could ensure that their children have a back-up mask at school in case something happens to the mask the learner was wearing when they came to school.

SGB Structure

Please find attached to this Newsletter the SGB structure. The members of the SGB have been assigned different portfolios and the structure will assist you to know which governor heads up each portfolio.

Late-coming

This is a plea to all parents to please try and get their children to school by 07:45 every morning. Although school officially starts at 07:55, we need time to screen these learners in the mornings and to observe all the required safety protocols.

If learners only arrive at 07:55, the system cannot handle this flood in such a short space of time and learners are then only getting to their lessons at 08:15.

This last minute flood also causes an admin headache as we have to capture every learner's details on both the school admin package, but also on the WCED's data base as well.

Your assistance will be appreciated.

School fees

Camps Bay High School is a fee paying school and our budget is worked out on having a certain number of learners at the school.

The matter of parents withdrawing their children during the course of the year, giving the school literally one day's notice was discussed at the SGB Finance Sub-Committee and the decision was taken that from now on, parents would be liable for 3 months of school fees, from the date that written notification was given to the school. This will not apply if parents remove their children at the end of the year.

115 years of Camps Bay Schools

Camps Bay Schools officially turns 115 years old on Friday, 28 May 2021. We took the decision to hold off our celebratory activities this week but hope these will be able to take place in the coming week.

Yours sincerely

MR LOUIS MOSTERT
PRINCIPAL

Camps Bay High excels at WP Youth Squash Open

Camps Bay High School excelled at the WP Youth Squash Open that took place at WPCC over the weekend of 8 and 9 May 2021, with three of our learners flying our flag high and proudly amongst the perennial heavyweights of Rondebosch, Wynberg, Bishops and Herschel.

Grade 12 learner Lochlan Williamson continued his red hot streak over the past few months by finishing the tournament as the #2 ranked u19 Boys player in WP, and improving his SA National Ranking to #11. It was only 3 months ago that he was ranked #25 in SA, and he is determined to break into the SA Top 10 in July's National Inter-Provincial Tournament.

Grade 11 Learner, Emma du Toit, won 3 of her 4 matches in the tournament to improve her WP Ranking to #3 in the u19 Girls Category.

And Grade 9 Learner, Brody Williamson, caused some upsets in the tournament to improve his WP Ranking from #13 to #8 in the Boys u16 Category.

Well done to all three of them for their stellar performances.

U14 Soccer Boys smash Fairmont

Well done to the U14 Soccer Boys who took on Fairmont on 11 May 2021 and won the match 8-0!

Ella Goddard excels in Rhythmic Gymnastics Competition

Ella Goddard in Grade 10 did exceptionally well in her first Rhythmic Gymnastics competition of the year.

She placed 1st for Freehand and 3rd for Ball, winning gold and bronze medals. She also achieved the overall highest score of the day for the Level 8 Competition.

Well done, Ella! What an incredible achievement!

Holly Smith continues her winning streak

Grade 9 learner, Holly Smith, earned herself two Gold Medals at the WP K1/K2 Marathon Championships hosted by her club, Peninsula Canoe Club in Lakeside on 8th and 9th May 2021.

Holly came first in the U16 division for K1-singles in a time of 1.32 for 17km, and together with her new partner, Georgia Singe from the Mocke Squad in Fish Hoek, also finished in first place in the K2-doubles in a time of 1.25 for 17km.

The WP K1/K2 Marathon Championships is a great opportunity for paddlers to fine tune their portages and timing for the SA Marathon Championships which was held at Holly's home club, Peninsula Canoe Club based at the Zandvlei estuary this past weekend.

Here, Holly raced against most of the girls from SA Ski Champs as well as girls from Johannesburg. The country's finest paddlers were out in full force at this event as the Protea Team selected to represent South Africa in Romania will be chosen from this group of paddlers.

Holly had a tough singles (K1) race on Saturday as one of the girls' cable snapped at the start causing her to be cut off from the bunch for the next two laps. She found her spirit and fought her way back to finish in a respectable third place, earning the Bronze Medal in the K1 Race.

On Sunday, she and her doubles (K2) partner, Georgia Singe paddled like professionals to earn themselves the Gold Medal in the U16 division and second place in U18.

Her incredible performances will most likely see her being invited to the World Championships and earn her Springbok colours but as she still has another year in U16 Division, Holly will probably hold out till next year as she will no doubt be even stronger, faster and in better form by then.

Massive congratulations, Holly! We are immensely proud of you!

U19 Boys Soccer

Our U19 Boys Soccer Team took on Edgemoad High School two weeks ago. Unfortunately, they went down 1-2 but played some great soccer. Thank you to Zaahir Joseph in Grade 11 for these great shots!

Squash Matches results

In the first Squash matches of the season, our First Team which plays in the Boys U19A League took on Herschel and beat them 13-6.

The First Team is pictured here: Brody Williamson, Josh Birkholtz, Lochlan Williamson and Emma Du Toit.

The Second Team (Christian Lee-Ming Yesca, James Heather-Clarke, Joshua van de Bijl and Sispesihle Lithuli) which plays in the Boys U19D League, went down 2-14 to Westerford.

U19 Girls Hockey

The U19 Girls Hockey Team played a friendly match against Jan van Riebeeck on Saturday - they lost 4 - 3.

Goals scored by Jorja Hewitt, Kate Blomerus and Zoe Kaplan.

Christiano Da Silva wins Junior Boys Cross Country

Our Cross Country athletes participated in the 8km Cross Country Event at Jan van Riebeeck.

We are incredibly proud of Christiano Da Silva in Grade 9 who finished in First Place in the Junior Boys Event.

Special mention must also go to:

Katja Thornton - Gr 9: 10th place in the Junior Girls Event;
Olivia Roberts - Gr 8: 13th place in the Junior Girls Event;
Dylan Metrowich - Gr 9: 16th place in the Junior Boys Event;
and
Lance Metrowich - Gr 11: 22nd place in the Senior Boys Event.

U19 Girls Soccer Team dominate competition in their first two matches

Our U19 Girls Soccer Team managed to get in two matches before the DBE announced an end to contact sport and matches. In their first match against Edgemoed, they won the match 12 - 0.

Goal scorers for the Edgemoed game were:

Daniella Segall - 4,
Mia Altbeker - 3,
Tara Scheepers - 3,
Lihle Mpambani - 1 and
Asia Yarlett - 1.

In their second game they took on Reddam Atlantic Seaboard who are known to be tough competitors.

They beat Reddam AS 12 - 1!

Goal scorers for the Reddam game were:

Daniella Segall - 5
Mia Altbeker - 3
Tara Scheepers - 3
Zona Sobekwa - 1

Thanks to Zaahir Joseph - Grade 11 for the pictures taken at the Reddam Match.

ACTA World of Birds Drive

ACTA (Against Cruelty to Animals) dropped off their first batch of donations at World of Birds in Hout Bay on Friday. The society is supporting World Of Birds this term. Anyone wishing to contribute, can leave donations in Ms MJ's Class.

- Paper Towels
- Cotton Wool
- Detol
- Karbadust
- Dish washing gloves
- Empty Ice Cream tubs
- Buckets with lids

LGBTQIA+ Society Drive for Triangle Project

The Triangle Project is a non-profit human rights organisation that offers a wide range of services to the LGBTQIA+ community which centre around Health & Support, Community Engagement and Empowerment, Research & Advocacy.

Unfortunately, due to COVID-19, the Triangle Project services are in high demand and they are underfunded. Camps Bay's LGBTQIA+ Society is running a drive to support them. They are collecting:

Toiletries such as toothpaste, soap, deodorant, feminine hygiene products, disposable razors and small boxes of hand washing soap powder

Dry foods and other non-perishable food items such as lentils and beans, soup mix, rice and tinned food

Clothing of all sizes, shoes and socks

Blankets and pre-loved books

Anything else that would be found useful

Drop off items in Ms Drew's Classroom: Room 37

Bread Buddies

Thank you to again to all the tutor groups who have contributed to our Thursday Bread Buddies over the past few weeks.

Environmental Club raises awareness for World Bee Day

Last Thursday was World Bee Day. Bees are essential to growing many of our favourite foods as they pollinate fruits and vegetables. Unfortunately, many bee species are under threat as a result of changes in land use, pesticides, intensive agriculture and climate change.

To raise awareness for the plight of the Bee, The Environmental Club at Camps Bay High School, painted learners as they arrived at school this morning. Learners were asked to bring a donation to get their faces or hands painted. Monies raised will go towards "Bee Hotels" the Club will be building.

Knitting Club

Our Knitting Club is officially up and running. A huge thank you to Camps Bay resident, Mrs Bonnie Rickens who is giving her time free of charge and is also providing materials like wool.

If you would like to join the Knitting Club, meet in Ms Mobsby's Classroom on Tuesdays and Wednesdays - you can come either day that you are free or both days if you are available.

Those needing to complete service hours can use the time knitting items to be donated for School Service Hours. Learners who are doing President's Award and need to learn a new skill can use this as their skill. This really is a fantastic opportunity to both be of service and learn a new skill.

Lumkile's Book Joint inspires learners

Towards the end of last term the Camps Bay High School's Matric Xhosa Class visited Lumkile's Book Joint in Gugulethu which was started by Lumkile Mzukwa who converted his garage into an informal library and community space.

The Grade 12s were so inspired by visiting Lumkile's Book Joint that the Grade 11s and 10s begged for the opportunity to hear him speak. Camps Bay High School's Head of isiXhosa, Mrs Pamela Siwendu, arranged for him to join us in our library today.

Ayabulela Gongo in Grade 12 wrote this report of his experience at Lumkile's Book Joint.

Mr Lumkile Mzukwa who was born and bred in Gugulethu has turned his garage into a library. Mr Mzukwa grew up in the apartheid era and his mother was a domestic worker. He lost his father at the age of 12 and started collecting books when he was 14 years old. The first book he bought was "Black Resistance to Apartheid", at Cafda bookshop in Claremont, way back in 1991. Today, he has more than 2000 books in his book joint. He explained that he finds that books aid emotional and mental growth, sharpen our memory and make you conscious.

Mr Mzukwa urged us to "take ourselves seriously and stop being foolish". He made us realise that the future needs us, and we need to step up. He encouraged us to understand the value in our own language and that we should give ourselves time to read isiXhosa books and familiarise ourselves with the Xhosa heritage. He told us that we ought to express ourselves in what we have and what we have learned.

Mr Mzukwa says his intention behind creating the book joint is to share his personal books that he has collected over the past 28 years. It is a space for the community to reflect on various issues and promote a developmental discourse in the community and a positive outlook about the future. He wants a space to promote a culture of reading and affirm a reading community, especially amongst the youth.

We all really enjoyed the trip and found it very interesting and beneficial to us. His speech made me think about a lot of things and motivated me to take myself seriously and speak up.

Grade 10s make "Mitosis" Cakes

The Grade 10 Life Science students completed their Mitosis Cake Practical in Class.. They were required to decorate a cake according to a specific phase of mitosis and then explain that phase of mitosis.

My School Card

This year you can help us raise much-needed funds to support our school. The best part? It won't cost you a cent!

How does MySchool MyVillage MyPlanet work?

1. **Join** the community to get a virtual or physical card (below).
2. **Select** the school or cause you want to raise funds for.
3. **Shop** at partner stores and swipe your card. Partners give back a percentage of what you spend via MySchool - at no cost to you!

Join today.

Get a Virtual Card
