

NEWSLETTER

3 December 2021

Dear parents, guardians and learners,

This will be our last newsletter for the 2021 school year – a school year like no other!

Despite all the new challenges thrown at both the learners and staff this year, we have persevered and I believe, grown stronger as a result!

Teachers have had to adapt very quickly to all the changes the Department of Basic Education has instituted and find new and innovative ways to teach in order to keep learners engaged. The admin and support staff have all had to take on additional roles and responsibilities to ensure the smooth running of the school and safety of all the learners and staff on campus.

I am particularly proud of the learners who have supported each other emotionally in these challenging times and risen above all the challenges they have had to endure in these unprecedented times. They have shown true resilience.

Today our Grade 8 to 11 learners wrote their last papers and the majority of our Grade 12 learners wrote their final exams this week with only the Dance and Music learners due to write their final exams on Monday.

As we wind down the year, I would like to take this opportunity to wish our Grade 12 learners a fond farewell and success as they move forward in life, be it studying further next year, taking some time off or joining the workforce.

Our School Community has never been so important. Alongside the learners are our parents and guardians who have been an incredible support over these very challenging times. We thank you all for sticking with us and your patience and understanding as we adapt our programmes in line with the pandemic requirements.

To the Grade 12 parents and guardians... you have been an important part of our school community for the past 5 years of high school and some of you have been strong Camps Bay Schools community members for the past 12 years – we thank you for making our school better and giving so much to its success over the years.

I would be remiss not to thank our wonderful SGB members under the conscientious stewardship of our SGB Chairperson, Mr Werner Thetard, who have contributed a huge amount to the school over these unprecedented times. The SGB members put in many unpaid hours of work to promote the well being and effectiveness of the school community.

Programme for the rest of the year

The academic programme for 2021 has been completed. For the remainder of the year, school closes at 13:00 except on Wednesday, 15 December 2021 when school will close at 11:00

We are mindful of the fourth COVID-19 wave which seems to be hitting South Africa quite quickly. We need to keep both our learners and staff safe so we ask that everyone maintain the COVID-19 protocols on campus which includes:

- mask wearing (covering both nose and mouth);
- sanitising and hand washing; and
- social distancing.

Parents, please do not send your child to school if they are ill or showing any COVID-19 symptoms. As these days will not be official teaching days, we understand if parents would prefer to keep their children at home over this period.

As is the tradition at Camps Bay High School, next year's Prefects have organised some fun activities for the final week and a half of school. This week is called Spectrum Week.

The Programme for the week is as follows:

MONDAY, 6 DECEMBER: DAY 4

School Finances

Last week we hosted the Annual Budget Meeting in the Drama Room. Camps Bay High School is a fee paying school and school fees have been determined and levied in accordance with the provisions of SASA section 39(1), 40 and 41 of the South African Schools Act.

The following resolutions were adopted at the budget meeting:

- Agree School Fees - R39 900 per annum (Increase of R1 600 per annum)
- Agree Fee discount of R1 600 if paid in full by 31 January 2022.
- Agree Capex Spend of R874 900
- New Auditors appointed for 2021/22 audit
- Agree to 1 terms notice period for any learner leaving the school.
- Agree to R1 045 920 in S38 allowances for WCED teachers and R107 529 for the non-educators.
- Grade 8 School fee deposit for 2023 - 10% of school fees (Currently R1 500)
- If cash reserves are sufficient, and does not impact on the school's operational cash flow - repay FNB loan (Currently R3 349 000 outstanding) without penalty, by June 2022.
- Agree to utilise CBHS financial assistance formula for school fee reduction in conjunction with the SASA formula.

School fees are essential to the survival of Camps Bay High School. It costs us about R30 million annually to run the school and we only get a contribution of R204 000 from the State. You can imagine that that R204 000 does not cover much OF our costs so we really need parents to pay their fees so that we can continue to offer quality education.

At present we have a total of 51 teachers and 28 Support/Admin Staff working at Camps Bay High School. The WCED only pays the salaries of 20 Teachers and 4 Support Staff. Thus 31 teachers and 24 Support Staff/Admin Staff are paid out of school fees.

If you are unable to pay school fees, either in part or in whole, you must apply for a reduction. There are various forms you will need to complete with our Assistant Bursar, Mrs Pearce. To make an appointment with Mrs Pearce to discuss, you can email her on mpearce@campsbayhigh.co.za.

Uniform Shop Opening Times

The **last day of trading for the Uniform Shop will be Friday, 10 December 2021** as we need to closed the shop for a few days before school closes in order to facilitate the annual stock take. The Shop will **reopen on Friday 14 January 2022** for some special trading days before schools start.

The Uniform Shop trading hours for January are as follows:

Friday, 14 January 9:00 to 16:00
 Saturday, 15 January 9:00 to 14:00
 Monday, 17 January 9:00 to 16:00
 Tuesday, 18 January 9:00 to 16:00

Please note that due to a film shoot that is bringing in a significant amount of revenue for the school, the Uniform Shop will be moving to the Music Wing at Camps Bay High School for the trading days prior to school going back on 19 January 2021. The Uniform Shop will revert back to normal trading hours from Wednesday, 19 January 2021.

Reunion Celebrations

On Saturday evening we hosted 10, 20, 30, 40 and 50 Year Reunion Celebrations for the various year groups. It was great to see everyone again. Thank you to members of the PR Team who acted as wonderful ambassadors for the school helping with the registration and screening of guests and taking them on tours of the school. We must also thank Lucas Meager and Matthew Pape from the AV Team who assisted with sound and lighting for the event.

Urban Expressions Online Dance Show

Don't miss the chance to see this fantastic online show. It will be aired at 7pm on 7 December 2021. Tickets are R40 and are available from Quicket.

Lochlan Williamson & Emma du Toit are Llandudno Champs

Congratulations to Lochlan Williamson in Grade 12 and Emma du Toit in Grade 11 for winning the Llandudno Sports Club Mens and Ladies Cup Championship last Friday evening.

Grade 8 - 11 Awards

On the next pages you will find our Grade 8 to 11 Award winners. Our Academic Award winners will be acknowledged at Special Assembly to held early next year.

Farewells

We say goodbye to Miss Elizabeth Stevenson and Ms Bea Hubbard at the end of the year. Ms Hubbard was here for the fourth term in a substitute post for Mrs Drew who is on maternity leave. Miss Stevenson has been with us in a learnership post for the year. We all have so enjoyed working with them and I wish them all the best in their future endeavours.

I would like to wish all our learners, parents and guardians, and all our school staff a safe, restful and rewarding summer break. Hopefully you will all get the opportunity to spend some quality time with family and friends and come back to school with a sense of rejuvenation in the new year.

Yours sincerely

MATHS TUTOR

Is your child underachieving in maths?

It's all about confidence and I can help!

I really enjoyed helping my own children with maths so I now tutor young people in high school.

I give private lessons online or in-person. Typically a session starts every hour, on the hour, in the afternoon during the week and lasts 50 minutes for maximum impact.

The cost is R300 per session for one student. For a shared session, the cost is R250 per person.

I would love to help your child become a confident maths machine!

About Masifunde IsiXhosa

We offer personalized IsiXhosa tutoring services to scholars in primary and high school. Our focus is not merely getting your grade up, but it is to help you become more independent enough to navigate the Xhosa language.

We measure our programme success by how well our students can express themselves in IsiXhosa. For our younger learners, we place a focus on their grades and find which areas that they struggle with. This way, we know how to approach our lessons to ensure better grades that the learner can be proud of.

MASIFUNDE ISIXHOSA

Established in 2019

Consultation

Due to COVID we now offer a free online consultation.

Book a free online consultation so we can craft a personalized tutoring programme, to find focal areas to work through.

To book a consultation, please call +27640434132.

You can also email your inquiries to nangamsonaydiaa@gmail.com.

Let us empower you and help you understand the IsiXhosa language, one class, at a time.

Programme Outline

We offer personalized classes for each student because focal areas differ. However, upon request, we also offer group classes to a maximum of 12 learners at a time.

We encourage independence and provide learners with study material such as exercises, books, and multimedia - to ease the learning process.

The best way to grasp any language is to speak it - and we have a strict policy at Masifunde IsiXhosa which only allows for minimal English to be spoken during a class.

Although the language of instruction is English, our learners have the freedom to express themselves in IsiXhosa to the best of their ability, without judgment.
