SCHOOL FEES

Today in tutor class all learners received a letter with regards to school fees and school finances (attached with this for your convenience). Please could we ask you fill in the details regarding how you intend paying your school fees and return to school by Wednesday, 26 January 2022.

A reminder that those who pay the full year fees by 31 January 2022 received a discount of R1600.

Any school fees related queries should be directed to Mrs Melissa Pearce on mpearce@campsbayhigh.co.za.

SPORTS PROGRAMME

Last year we implemented a non-contact, COVID-19 Compliant Sports Programme which meant that we shuffled a few of the sports around that are traditionally summer or winter sports and ran them throughout the year. This year, we are able to go back to the regular sports programme for Camps Bay High School, focusing on different sports in winter and summer.

Please note that we have therefore made a few adjustments to the programme which was included in the Survival Guide. See attached the Updated Summer Sports Programme.

Sign up for Sports at Camps Bay High School is done via a Google form which will be mailed to all learners' school email addresses this weekend.

At Camps Bay High School it is compulsory for all Grade 8 - 11 learners to do at least ONE SUMMER and ONE WINTER Sport. **The Summer Sports Programme will officially start on Tuesday, 25 January 2022.**

WELCOME TO NEW STAFF

Every year we take on a couple of teachers-in-training looking to complete the practical component required to get their teaching degree. Joining us this year are two new teachers (learnerships) Ms Layla Laver will be teaching Life Orientation and Chante Ford who will be teaching Mathematics and Digital Technology. We welcome them to Camps Bay High School and trust they will enjoy their time here with us this year.
