CAMPS BAY HIGH SCHOOL

UNIFORM POLICY

Camps Bay High School (CBHS) is committed to nurturing a scholastic environment that encourages unity, pride, and a profound sense of identity among our learners. One of the cornerstones of this ethos is our school uniform, which instils the principles of smart dressing and an appreciation for personal presentation.

This Uniform Policy is designed to foster these ideals while embracing inclusivity, setting forth clear instructions for attire on various occasions, and outlining specific prohibitions. It is our collective (staff, parents and learners) responsibility to ensure that our learners embrace this uniform code with integrity.

In our continuous effort to improve affordability, we have recently revised the school uniform. During a two-year transitional period, learners were permitted to wear certain items from the previous uniform style. **As of January 1, 2024, the new CBHS uniform will become mandatory for all learners**, marking an exciting step forward.

This Uniform Policy is comprehensive, addressing attire requirements, grooming standards, and accessory regulations. Its purpose is to maintain an atmosphere of professionalism and cohesion among learners and to prepare them for their future, where similar dress codes will apply in their professional lives. Parents play a vital role in ensuring that learners leave home each morning in adherence to this policy.

This policy will be **strongly enforced starting from January 1, 2024**, and is meant to serve as a reference for learners, staff, and parents, ensuring a collective commitment to our school's principles and standards.

Uniform Enforcement and Responsibilities:

1. **Parent Responsibility:** Parents carry the initial responsibility of checking their child's uniform before they head to school.
2. **Tutor Teacher Responsibility - Daily Uniform Check:** It is the duty of tutor teachers to conduct a daily uniform check during morning tutor class, ensuring learners adhere to the uniform policy.
3. **Staff and Prefect Responsibility:** All school staff and prefects are responsible for upholding the uniform policy, ensuring that learners consistently wear the uniform correctly.

Consequences for Policy Violations:

1. Learners found in violation of the uniform policy, as outlined below, will receive **an immediate uniform detention**. This detention forms part of the overall CBHS disciplinary process.
2. Any uniform items damaged, discoloured or inappropriately tailored or bought in sizes that are too small will be required to be replaced at the uniform shop with immediate effect. In these instances, parents will be billed directly for required items and therefore it is also the responsibility of parents to ensure that learners come to school dressed in the correct uniform.
